Program Information

The Summer holidays are fast approaching, beginning on Thursday 14th December and continuing for 7 days until Friday 22nd December 2023. We will reopen on Monday 15th January and continuing for 11 days until January 30th. School commences on 31st January. SPLASH will provide a full program of fun and engaging events including excursions, incursion, and in-house activities.

As an Australian Government funded childcare service, we are required to allocate places to those families with the greatest need for childcare support. Priority of Access is as stipulated in the Australian Government Child Care Service Handbook section 6.3. SPLASH is required to follow Priority of Access guidelines when allocating places for childcare. This involves, when necessary, giving 14 days' notice requesting a child of lesser priority to vacate their place in childcare for a child in a higher priority situation. Further information regarding Priority of Access can be found at <https://www.education.gov.au/priority-filling-child-care-places>.

Please book early to secure your place in the program.

All buses come equipped with seatbelts. Supervision on the buses adheres to our minimum requirements of 1-15 with at least two adults on each minibus and 4 adults on the larger 57-seater bus. By the start of the week of an excursion a Risk Assessment is completed and is available at the Splash sign in desk.
